Richard Montano gave the Report of the Vice President of Operations.

Margaret Kerfoot gave the Report of the Vice President of Fields. The area of responsibility includes Field Development, Field Maintenance and Field Assigning. Additional volunteers in this area would be very helpful. There will be a new system in place for field assigning this fall.

Mike Gurdak gave of the Report of the Vice President of House. He noted that registration will close earlier in the future due to the large number of kids registering.

Rod Hines gave a report on VYS coaching and training. Due to the limited field space, Rod outlined several new ideas to make soccer more fun for the kids and give them more time to play the game. This could include practices set up in a circuit type training format where all the kids in an age group practice at the same place and at the same time. This will be settled in the next few weeks and will be tried this fall.
