

Grade Level Exception Policy

For players in the U5 to U12 House Age Divisions with birthdays that fall between August 1st and September 30th, and are registered in school in the next higher grade level, their parents/guardians may choose to have them play with their child's grade level or with the VYS division level.

A player will only be eligible to play All Stars within the age division they play during the regular season.

There will be no play up into the U5 division, as per existing policy.

No division, including U5 through U10, will be greater than 14 months with the grade exception.

Grade Level Exception Registration Procedure Spring 2010

A Grade Level Exception Request check box is present on the registration form. To determine if your child is eligible for the Grade Level Exception, please answer the following questions and check the box on the registration form. Please include this signed sheet with your registration form. **This form must be filled out every season** if requesting the Grade Level Exception. If it is not filled out by the parent at time of registration and turned in with the registration form, the player will not be placed in their grade level division.

Does your child's birthday fall between August 1st and September 30th?

Yes No

Is your child registered in school in the older possible grade?

Yes No

If you answered No to either or both questions one or two, your child is not eligible for the Grade Level Exception and you do not need to fill out this form.

If your child is eligible, do you wish for your child to play at their grade level? **YES** **NO**

If Yes:

Child's Name: _____ Division Requested: _____

Name of school: _____ Current Grade in School: _____

Mark check box on registration form.

Include this signed sheet with your registration form (must be done every season).

Signed: _____
(Parent/Guardian)

Date: _____
